Anime Recommendation System

Phase 5 prototype – modular refactor in progress.

How to use this app (click to hide)

Quick Start

Follow these steps to generate meaningful recommendations:

1. Pick a persona (left) OR search a title.
2. If searching: click a result to use it as a seed.
3. Adjust 'Hybrid Weights' for accuracy vs diversity.
4. Hover badges (coming soon) to learn popularity/novelty.
5. Use the FAQ at bottom for metric explanations.

Seed vs Persona

Persona simulates a user profile. A seed title finds similar anime. You can switch freely; selecting a seed overrides persona.

Tip: After clicking a search result the heading changes to 'Similar to: <Title>' so you know seed mode is active.
